Course Placements - Determined on 04-25-2023

E073 English 073 Advanced Listening and Speaking This course provides practice in complex communication tasks, including oral presentations, with emphasis on sentence intonation and word stress; and prepares the student for note-taking, discussion and advanced reading skills necessary for college work. Please note that if this is the first time you have taken the placement test, you are eligible to sit for the test a second time. If this is your second time testing, this is your final placement.
ESLP These courses are within the English as a Second Language program offered by the English Department.
M171 Math 171 Calculus I
E084 English 094: Advanced Academic Writing for Non-Native Speakers of English and English 084: Advanced Reading for ESL Students are co-requisite, integrated courses that require students to write academic essays based on textual information and language patterns. Students produce text-based writing assignments (summaries, paragraphs, essays, journals, etc.) in both courses. Advanced Reading for ESL Students. Please note that if this is the first time you have taken the placement test, you are eligible to sit for the test a second time. If this is your second time testing, this is your final placement.

Message from the Institution

You have now completed your placement test. The above text box lists your placement. If your placement is pending or missing, you will need to wait until the next day.

PLEASE READ NEXT STEPS:

1. The above text box lists your placement. If your placement is pending or missing, you will need to wait until the next day to access it.
   a. To access your placement, log into **MYCCP portal** and click the **student tab**, then **Enrollment Services**, then **Enrollment Profile** and scroll down to the bottom of the form for your **English and Math placement**.
2. You will **receive an email** from Community College of Philadelphia's Admissions Office soon.   This email is sent to the address you used to file your application.
3. Once you receive this email, your next step will be to **log back into your Recruit application account and** confirm **your admission.** **Watch these video instructions** if you need help.
4. Login to your MyCCP account, click the New Student Online Orientation Portal and review each module

5. Once you complete the modules, you **_MUST_** register for a New Student Group Registration event.

*You **_MUST_** attend an event to be eligible to register for classes and receive an academic plan for your first semester.*

We look forward to having you join the CCP community this semester!
